Becoming a Friend

How you can make a
real difference by becoming
a Friend of Volunteer Action

We welcome donations

We NEED Your Help!

Supporting the Community

Volunteer Action is a local charity which helps people in Oundle and the surrounding villages to keep their independence, stay living in their own homes and remain part of the community. We do this by providing them with transport for essential journeys and through that companionship. We also provide the Oundle Befriending Scheme - a home visiting service.

Through the car scheme, elderly, unwell and disadvantaged people and those with disabilities can continue to get out into the community instead of being trapped in social isolation. They can:

- take part in the everyday activities that are so easy to take for granted;
- visit friends and relatives, do their shopping;
- go to the doctor, dentist, clinic or hospital, either as a patient or to visit someone they care about.

Carers are also able to use the schemes.

The service has been running since 1996 and has over 550 people who rely upon it to provide the help they need.

Volunteer Action is run mainly by volunteers. These volunteer drivers cover an amazing 70,000 miles a year, providing friendly support to the people they drive. The need for the service is growing as the number of journeys and miles driven shows.

The Befriending Scheme also offers companionship to people who live on their own by arranging for someone to visit them on a regular basis.

However, public funding for the schemes is declining and there is a significant danger that the services might not be able to continue. This would reduce the quality of life and independence of those who rely on us so heavily.

We know that living in Oundle and the surrounding villages is very special and we are privileged to enjoy the quality of life here. Will you consider giving just a little back to this friendly and supportive community by helping us to keep our invaluable transport and befriending services?

If you wish to help, we are offering you the opportunity to become a Friend of Volunteer Action and share in the contribution it makes to the community. As a Friend, you will share in the social activities we organise and receive regular updates about our activities. To become a Friend, you simply agree to contribute a sum of money regularly. You decide how much is appropriate for you. Please help us to continue our service.
