- **If you can park in one of the 5 Voluntary Driver Bays, you must display your Kettering badge & VA Badge**
- If there is not a Voluntary Driver Bay free, please go to **Car Park B** and get a ticket upon entry.
- If you have had to park in Car Park B, once you have collected your patient or made arrangements to collect, go to the Car Park Office in Car Park A, and an officer will let you out of Car Park B free of charge. **If you park in Car Park A you will have to pay.**
- B3 bays are for Consultant and Medical Staff and B8 for staff with any special medical need. Voluntary Drivers are not to park in these spaces under any circumstances at any time.
- To access the treatment centre, this is the Railway Bridge end of Rothwell rd, turn Rt into the Hospital and straight on, There is one volunteer bay here (marked on the rd) and a car park.

If you are in any doubt, please ask a Car Park Officer, either by going to their office in Car Park A or by using the blue lollipop intercoms around the site. The officers are there to help and it does pay to ask for help.

**You will be fined £25 for parking / dropping off on the double yellows by outpatients, no matter what the circumstances.**

If you have **disabled** passengers, it is fine to use one of the 10 Disabled Bays, as long as you have a disabled badge clearly displayed. **Take out your Volunteer Driver badges.**
